

MANUFACTURER STRENGTH TEST DECLARATION

and China Agent Product Verification

Document date	6 September 2026
Verification company	Yiwu Saikun Import and Export Co., Ltd.
Signatory	Jie Shuqin (Coco) - Legal Representative and AW China Sourcing & QC Agent
Products covered	PawL-01 to PawL-09 retractable pet leashes (three construction groups)
Purpose	Supporting evidence for the AW General Product Safety Regulation technical file
Document status This document records the English translation of manufacturer-supplied product specifications and the China agent's verification of the corresponding AW-branded samples. It is not an independent laboratory test report and does not claim ISO/IEC 17025 accreditation.	

1. Verification basis

Yiwu Saikun Import and Export Co., Ltd. acts as the China sourcing and quality-control agent for Ancient Wisdom. The company reviewed the original Chinese manufacturer specification sheets reproduced in Appendix A and visually inspected the AW-branded samples reproduced in Sections 5 and 6.

The manufacturer expressed test loads in kilograms. In this document they are reported as kilogram-force (kgf), with approximate newton equivalents added for clarity. No independent test method, equipment calibration record, loading duration, dynamic test or laboratory accreditation was supplied with the original specification sheets.

2. Manufacturer-declared results

AW / model	Length	Maximum pet weight	Manufacturer-declared load result	Load-to-recommended-weight ratio
PawL-01 to -03 Pocket Pod	1.5 m	≤25 kg	Lead: 90 kgf (≈883 N)	3.60×
PawL-04 to -06 Mini Mango	3 m	≤8 kg	Lead: 50 kgf (≈490 N)	6.25×
PawL-07 to -09 Elephant Strap	2 m	≤35 kg	Lead: 150 kgf (≈1,471 N) Locked: approx. 90 kgf (≈883 N)	Lead: 4.29× Locked: approx. 2.57×

3. Product code and colour schedule

The following AW codes are covered by this declaration. Within each model group, the products are declared to use the same load-bearing construction and to differ only in colour.

Code	AW product description	Construction group
PawL-01	Paw Pet Leash - Pocket Pod - Pink - 1.5m	Pocket Pod
PawL-02	Paw Pet Leash - Pocket Pod - Green - 1.5m	Pocket Pod
PawL-03	Paw Pet Leash - Pocket Pod - White - 1.5m	Pocket Pod
PawL-04	Paw Pet Leash - Mini Mango - Yellow - 3m	Mini Mango
PawL-05	Paw Pet Leash - Mini Mango - Plumb - 3m	Mini Mango
PawL-06	Paw Pet Leash - Mini Mango - Peach - 3m	Mini Mango
PawL-07	Paw Pet Leash - Elephant Strap - Blue - 2m	Elephant Strap
PawL-08	Paw Pet Leash - Elephant Strap - Brown - 2m	Elephant Strap
PawL-09	Paw Pet Leash - Elephant Strap - Grey - 2m	Elephant Strap
Applicability of grouped evidence The signatory confirms that the colour variants within each construction group use the same casing design, reel, lead or strap, hook and locking arrangement. The manufacturer-declared strength result therefore applies to each listed code in that group. This grouping concerns mechanical construction only and does not extend a chemical test result from one colour to another.		

4. Pocket Pod Retractable Pet Leash

AW product codes	PawL-01 Pink; PawL-02 Green; PawL-03 White
Manufacturer model	Magic Pill / Pocket Pod Retractable Pet Leash
Construction	PC+ABS housing; PA components; zinc-alloy snap hook; reinforced synthetic lead; compact retractable reel.
Declared length	1.5 metres
Recommended maximum pet weight	25 kg
Declared strength result	Complete lead/line: 90 kgf (approximately 883 N).
Variant basis	Same load-bearing construction; colour difference only.

Manufacturer source identification

The Pocket Pod group is linked to the manufacturer model shown in Appendix A1. The source sheet declares a 1.5 metre lead, use for pets up to 25 kg and a tensile/load result of 90 kgf. No independent laboratory method or certificate was supplied with that sheet.

Figure 1. Manufacturer-supplied Pocket Pod source sheet; original reproduced in Appendix A1.

5. PawL-07 to PawL-09 - Elephant Strap Retractable Pet Leash

AW product codes	PawL-07 Blue; PawL-08 Brown; PawL-09 Grey
Manufacturer model	Elephant Strap Retractable Pet Leash
Construction	Ergonomic PC housing; PA components; zinc-alloy snap hook; reinforced synthetic webbing/line; retractable reel and brake/lock mechanism.
Declared length	2 metres
Recommended maximum pet weight	35 kg
Declared strength result	Complete lead/line: 150 kgf (approx. 1,471 N). With locking mechanism engaged: approximately 90 kgf (approx. 883 N).

AW-branded sample identification photographs

Figure 2. AW-branded blue sample showing casing, hook, brake button and hand-grip configuration.

Agent comparison

The AW-branded PawL-07 sample has the same Elephant casing shape, open hand grip, button/lock arrangement, reel exit position and snap-hook configuration as the manufacturer model shown in the source specification. PawL-08 and PawL-09 are declared to use the same load-bearing construction, differing only in colour. Application of the P-AW logo and AW colour treatment does not visibly alter the load-bearing construction.

6. PawL-04 to PawL-06 - Mini Mango Retractable Pet Leash

AW product codes	PawL-04 Yellow; PawL-05 Plumb; PawL-06 Peach
Manufacturer model	Mini Mango Retractable Pet Leash
Construction	PC+ABS housing; PA components; zinc-alloy snap hook; reinforced fibre/webbing lead; compact retractable reel.
Declared length	3 metres
Recommended maximum pet weight	8 kg
Declared strength result	Complete lead/line: 50 kgf (approximately 490 N).

AW-branded sample identification photographs

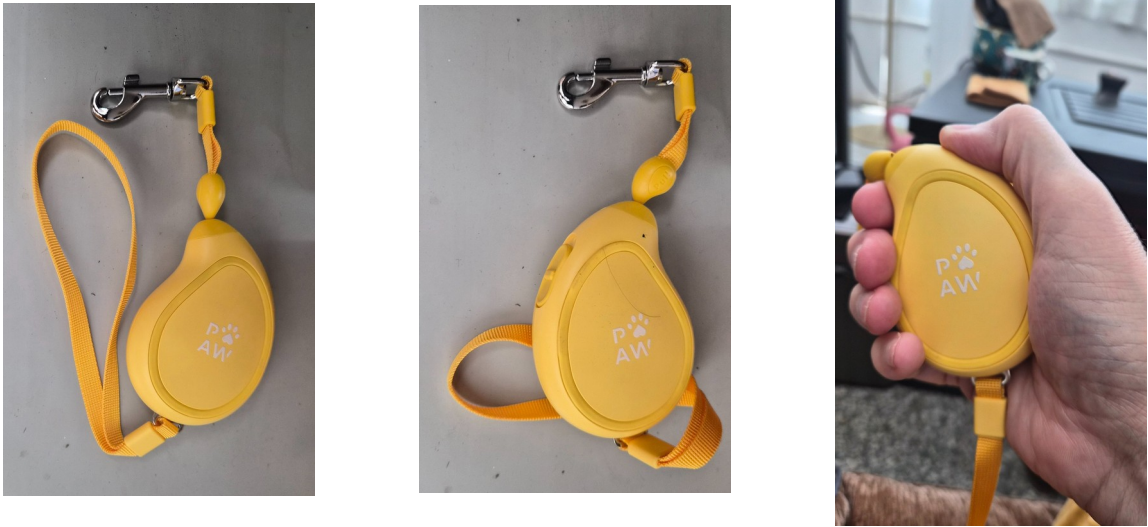

Figure 3. AW-branded yellow sample showing front and rear casing, webbing lead and snap hook.

Agent comparison

The AW-branded PawL-04 sample has the same Mini Mango casing form, webbing arrangement, pull connection, reel layout and snap-hook configuration as the manufacturer model shown in the source specification. PawL-05 and PawL-06 are declared to use the same load-bearing construction, differing only in colour. Application of the P-AW logo and AW colour treatment does not visibly alter the load-bearing construction.

7. China agent declaration

I, Jie Shuqin (Coco), legal representative of Yiwu Saikun Import and Export Co., Ltd., declare that:

- 1.the original Chinese manufacturer specification sheets reproduced in this document were supplied in connection with the retractable pet-lead models identified above;
- 2.the English product data and load figures in this document are a fair translation and presentation of the information shown in those source sheets;
- 3.the nine AW product codes listed in Section 3 are correctly allocated to the Pocket Pod, Mini Mango and Elephant Strap construction groups;
- 4.within each construction group, the listed colour variants use the same principal load-bearing design and components and differ only in colour;
- 5.I have inspected the AW-branded samples shown in the photographs and confirm that their visible design and construction correspond to the respective manufacturer models;
- 6.the stated results are manufacturer-declared strength/load results. Yiwu Saikun Import and Export Co., Ltd. has not represented them as results from an independent accredited laboratory; and
- 7.based on the supplied information and sample comparison, I consider the declared results reasonable supporting evidence for the labelled maximum pet weights, subject to the stated limitations and normal product inspection before use.

Important limitation

This signed declaration supports product identification, translation and supply-chain due diligence. It must not be described as an accredited laboratory certificate or as independent third-party verification.

Signed for and on behalf of Yiwu Saikun Import and Export Co., Ltd.

Appendix A - Original manufacturer specification evidence

The following Chinese source sheets are reproduced as received. Their strength figures are translated in the body of this declaration.

A1. Pocket Pod Retractable Pet Leash - manufacturer source sheet

魔 丸 牵 引 绳

一款可放在贴身口袋的通用牵引绳

1. 寓意：强大的生命力（破壳新生）
2. 结构：
 - 单指收放
 - 逗玩穿戴组合
3. 材质：PC+ABS外壳、PA机件、锌合金挂钩、仿尼龙织带
4. 参数：

- 绳长1.5米，适用于中小型犬（ $\leq 25\text{kg}$ ）
 - 拉力测试：90kg
 - 产品重量：90g

A2. Elephant Strap Retractable Pet Leash - manufacturer source sheet

握 象 牵 引 绳

掌心驭巧力，握象护方圆

1. 寓意：大象具有吉祥、健康、力量、智慧、财富等很多美好的含义
2. 握象：就是手握美好
3. 结构：
 - 握感舒适轻盈，可多角度用力
 - 象鼻轻卷环绕保护手指，更有安全感
 - 抽象的耳朵和肚子大小圆设计，非常可爱
 - 腕绳金刚结也是象征守护，可以挂在手腕、包包、宠物推车上
4. 材质：PC外壳、PA机件、锌合金挂钩、仿尼龙+增强鱼丝织带
5. 参数：

- 绳长2米，适用于中小型犬（ $\leq 35\text{kg}$ ）
 - 拉力测试：牵引绳150kg\锁止状态90kg
 - 产品重量：124.5g
6. 底座：可作为潮玩摆件，寓意美好

Appendix A - Original manufacturer specification evidence (continued)

A3. Mini Mango Retractable Pet Leash - manufacturer source sheet

芒果 MINI 牵引绳

一款阳光明媚的小宠牵引器

1. 寓意：芒果象征希望，寓意美好，充满活力

2. 结构：

- 芒果形状刚好贴合手部曲线，握感舒适
- 亲肤硅胶装饰圈
- 精致小芒果绳扣

3. 材质：PC+ABS外壳、PA机件、锌合金挂钩、DTY增强纤维

4. 参数：

- 绳长3米，小宠专用（ $\leq 8\text{kg}$ ）
- 拉力测试：50kg
- 产品重量：110g

Appendix B - China agent identity and company details

English company name	Yiwu Saikun Import and Export Co., Ltd.
Unified Social Credit Code	91330782MA2E6YY56X
Legal representative	Jie Shuqin (Coco)
Registered address	5th Floor, East Side, No. 2 Huaxia Road, Choujiang Industrial Zone, Choujiang Subdistrict, Yiwu, Jinhua, Zhejiang Province, China
Telephone	+86 151 5893 3373
Email	aw.jieshuqin@qq.com
Security note A copy or image of the Chinese business licence is intentionally not included in this declaration. The company details above are confirmed by the signatory through signature and application of the company stamp.
